

***State of Washington
Department of Transportation
Notice to Consultants
Freight Efficiency & Competitiveness Phase I***

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered to provide services to analyze Central Puget Sound manufacturing freight supply chains within Washington State. The approximate dollar value of the consultant agreement will be \$110,000. WSDOT may award one (1) agreement. The agreement will be for approximately ten (10) months in duration with the option for WSDOT to extend it an additional three (3) months.
